

## Comparison Chart Walking aids - safe working load $\geq$ 180kg

**Purpose:** this list provides a starting point for assessors who are looking at equipment options from a range of suppliers

This list includes some equipment commonly requested through Enable New Zealand and does not include all options available in NZ. Information is current as of the date shown in the footer and subject to change.

ACC List Equipment options are highlighted and should be considered in the first instance.

### Crutches, walking sticks, and knee walkers

| Product name                                | Image   | Safe working load (kg) | Supplier   |
